

About NACAS

NACAS is the largest auxiliary services support organization serving higher education, consistently providing **The Connections that Count** by offering extensive opportunities for members to share ideas, develop business solutions, enhance programs and revenues, and develop meaningful professional relationships.

Our regional association, **NACAS South** is comprised of the twelve (12) southernmost states in the organization and includes, **Texas, Oklahoma, Arkansas, Louisiana, Kentucky, Tennessee, Mississippi, Alabama, North Carolina, South Carolina, Georgia, and Florida.**

There are many advantages to being a business partner in our association, including:

- Valuable networking opportunities with members
- Recognition at the business partner luncheon during the regional conference
- Opportunities for sponsoring programs at the regional conference
- Full conference registration for company representatives
- Access to our institutional mailing list for solicitations or press releases
- Listing on our website and in the Business Partner Directory

As a business partner, you will receive the most up-to-date and timely professional information available, covering all aspects of auxiliary services operations and management in the higher education environment. If you are looking to showcase your services or get your product information to those who make the decisions, **NACAS South** is the organization for you!
